

Dear Distribution Partner,

## **SERIES 3000 STOCK PROFILE OFFER**

**CROMPTON CONTROLS** are launching our new range of **SERIES 3000** Starters and **CC RANGE** of Components, and to mark the occasion we are offering our Distribution Partners a special deal on Stock Profile orders.

For every stock order over £3,000 net, we will throw in **FREE SERIES 3000** products of your choice up to the value of **£300 net**. Orders over £5,000 net will receive **£500 net** of **FREE** stock.

Your current discount will apply to orders for both the **STOCK PROFILE** and **FREE PRODUCTS**.

This exciting offer applies to orders received before 31<sup>st</sup> August 2010, so please place your order **NOW!** Please refer to **STOCK PROFILE OFFER** on your order, and tell us the **FREE** products you would like to receive.

In addition, each order will receive a **FREE** wall mounted 'Authorised Distributor' poster for display at your trade counter.

For your assistance, a recommended stock profile is attached. This for guidance only and you can add any **SERIES 3000** product to the list if you prefer, and change the volumes to suit your requirements.

There will never be a better time to stock the **SERIES 3000** range.....and **SAVE MONEY** at the same time!

**SERIES 3000** Starters have many additional benefits and improvements including:

- Whole range now in robust IP55 Steel enclosures
- All new CC range components fitted
- New improved internal push button actuator assemblies
- 3DL1..S price reduced to DL1..C price.
- New 18.5 KW Starter (3DLA5) introduced

**WE LOOK FORWARD TO RECEIVING YOUR ORDER!**
